## What is a F.U.N. Party?

A F.U.N. party presentation provides a place where women can socialize with their female friends while being educated and enlightened on all subjects relating to romance! Women enjoy the social atmosphere, the bonding, and the fun, tasteful presentations made by the trained and knowledgeable F.U.N Ladies. It is a fact that women would rather purchase intimate items privately instead of in bookstores or public places. They look forward to private displays of marital and sensual aids, demonstrations of games and explanations of products designed to enhance personal relationships in a relaxed and comfortable atmosphere. Our F.U.N Ladies make the parties both educational and entertaining. And best of all, the Hostess can earn FREE products just by hosting a party in her home! We have lots of items that will make you wonder just how did you live without them.

The F.U.N. party presentation is sensitive, sophisticated and most of all fun and enjoyable. All purchases are confidential. F.U.N. offers creative techniques and information that enables women to recapture the romance and fulfill their romantic dreams. Your personal F.U.N Lady will help you learn about items most women have never even seen, before attending a F.U.N Party. The parties are for ladies only, but your man will love helping you use the products you take home. Join the excitement and make your relationship more exiting!
